Two Bestselling Authors Team Up for Blockbuster Historical Series

A Daughter's Inheritance THE BROADMOOR LEGACY - Book 1 by Tracie Peterson and Judith Miller

Minneapolis, MN— With two previous bestselling series collaborations (LIGHTS OF LOWELL, BELLS OF LOWELL), favorite authors Tracie Peterson and Judith Miller join forces again in their most unique and fun series yet.

Set in the opulent and extravagant Thousand Islands resort area between New York and Ontario, THE BROADMOOR LEGACY features three young women searching for love and a legacy in the 1890s. *A Daughter's Inheritance* is the exciting series debut.

Cousins Amanda, Sophie, and Fanny Broadmoor are as close as sisters, but when their grandfather dies, the terms of his will just might destroy their bond. With their families as different as can be, the sudden flood of wealth and power impacts each girl differently.

Confronted by the oppressive and controlling strings of society, seventeen-year-old Fanny is shocked and confused. She's already given her heart away, but in a world where money equals power, is Fanny trusting the right person?

Is this also the end of the cousins' close relationship? Will the girls choose the path high society dictates or forge their own ways?
