### *Whispers of Winter* by Tracie Peterson

Minneapolis, MN—Tracie Peterson's latest bestselling series—ALASKAN QUEST—has sold more than 150,000 copies with the first two books and it now wraps up with a much-anticipated and gripping conclusion to this epic adventure.

The unforgiving descent of Alaskan winter has Jayce Kincaid and Jacob Barringer struggling for survival after their ship is trapped in the ice floes of the Arctic. Back at Last Chance Creek, Leah and Helaina endure the long separation, praying for the best. When unexpected tragedy invades their world once again, they must face their losses and find the strength to trust in God's faithfulness. But in a land so cold and hopeless, how can faith and love survive?

With her eye for historical detail and her love of adventure and romance, Tracie Peterson has created a captivating cast of characters as they struggle to survive in America's final frontier.

**“Brilliant characterization, extensive research and flawless attention to detail make *Whispers of Winter* a truly memorable conclusion....I was easily able to step into the pages and imagine life as a settler in the early 1900s of Alaska.**

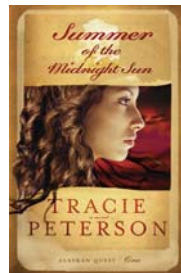

**I was sorry to see the saga end....”**
